

State Farm Insurance
General Information

Dear Guidance Counselor, Parent or Student Athlete,

For the fifth year, two local State Farm Insurance Agents would like to introduce you to our student-athlete scholarship for the 2009-10 school year.

The purpose for the scholarship is to assist those graduates of area high schools who have participated in sports to achieve additional education beyond the high school level. The scholarship was founded in order to continue State Farm Insurance's commitment to excellence in athletics and education.

The scholarship is open to any student who has participated in a sport that is recognized and funded through your school.

All of the scholarship information is listed on this website and should be made available to all graduating seniors with an interest in competing for the award.

If you need more information, or have any questions or comments, please contact Bob Greenburg at WPIC Radio at 724-346-4113 ext 102. or email him at bob.greenburg@cumulus.com
